**CORNERSTON CHRISTIAN ACADEMY
SPECIAL FUNDING NEEDS**

While Cornerstone Christian Academy makes every effort to secure as many funding opportunities as possible in support of new and returning students, there is no guarantee that we will receive the necessary funds to meet our most pressing needs. We invite you to thoughtfully consider the following special projects:

FACULTY SUPPORT - \$25,000

Join our supporters as they help fund extraordinary faculty and student projects during the school year that would otherwise not be financially possible. Your contributions can support professional development, travel, research, publication, and other creative projects that foster excellence and innovation at Cornerstone.

CAPITAL IMPROVEMENT PROJECTS - \$25,000

By providing a safe, disciplined, and positive educational environment, we inspire students to achieve at their highest potential. Your generous contribution will support immediate repairs such as facility improvements, classroom renovations and furnishings.

EXTENDED CARE PROGRAMS - \$10,000

Nearly 200 deserving families from our neighborhood enroll their children in Cornerstone's after-school and summer enrichment programs. Your gift will help our school to stay open year-round to offer children unique experiences in Literacy, Summer Enrichment, Drama, Art, Music, Swimming, Dance, and the Trades.

SAFETY, SECURITY & TECHNOLOGY - \$10,000

Cornerstone has an immediate need for a long-term security integration system with video surveillance, improved access control and video intercom to secure the buildings both during and after school hours. You or your company may help us meet the goals of our new network. A project overview and scope are available upon request.

LITERACY, STEM, FINE ARTS & MUSIC - \$5,000

We seek to provide an excellent, equitable education for the students we educate. Gifts in support of Cornerstone's innovative programming will lead to academic excellence and a well-rounded education. Gifts may be designated from our students' use of iPads, classroom SmartBoard technology, and coding to Dance, the Music program and Voices In Praise choir.

ATHLETICS - \$5,000

GO WARRIORS! Cornerstone 5th to 8th grade students will join the Philadelphia Athletic Conference of Christian Schools League for an all star season of basketball and cheer-leading. Funds are needed for transportation, uniforms, team snacks, registration fees and more.

K1 ACADEMY - Cornerstone's Youngest Learners - \$5,000

Cornerstone's K1 Academy provides a stimulating environment that promotes, social, emotional, cognitive, and physical growth for our youngest students. Your generous gift will support our work to identify the strengths of local children in order to prepare them for academic success in their educational journey.
